CCD NEWS *5th Grade Ballard:* This year our primary focus of study has been learning about the Sacraments. Jesus not only died for our sins, but He gave us the Church and the Sacraments. We have learned that we receive sanctifying grace which helps us grow closer to God and be effective members of Christ's Church.

7th Grade: Our class has been deepening their relationship with God and their understanding of their Catholic faith. Two areas of focus are: 1) learning scripture which includes both the Old and New Testaments. 2) Deepening their prayer life by learning to talk with Jesus Christ in prayer and meditation as they would talk with their best friend.

CURSILLO An alternate group meeting will be held every Saturday at 9:15am in the Annex. All are welcome!

The Holy Spirit was looking over us this

past Saturday as we had a beautiful day for our Saint Patrick's/Open House celebration. A huge thank you to the PTO board for the fabulous job organizing the event! It was wonderful to see all of you at our new school site this past weekend. This was a great day of fun and games and a nice reminder of the wonderful community in which our children attend school. Soon we will be visiting our outlying parishes to discuss our new facility and encourage families to be a part of Catholic Education in our regional school. Please pray that our efforts are met with success. This past year our enrollment increased 37%. The future of Catholic Education in Culpeper is now! This past week, our students and staff selected to *"Rally Around Regan"* for our Lenten charity. Students participated in a fundraiser and our families and staff donated their time, efforts and monetary contributions for the Flemming family. I am so proud of our Epiphany family's efforts. Tuesday morning with the entire school present we presented Mary Flemming with a check for 4,325 dollars.

Pope Francis: Beware of getting too comfortable! When we are comfortable, it's easy to forget other people.

Pope:

“make space for God’s love so He can change you”

03/16/2015

Taking his cue from the first letter of the prophet Isaiah in which the Lord says He is “about to create new heavens and a new earth”, Pope Francis said that God’s second creation is even more “wonderful” than the first because when he makes the world over he does so in Jesus Christ. He renews everything and manifests his immense joy:

“We find that the Lord has so much enthusiasm: he speaks of joy and says ‘I will exult in my people’. The Lord thinks of what He will do and of how He will rejoice with His people. It’s almost as if he has a dream. He has a dream. His dream is about us. ‘Oh, how beautiful it will be when we are all together, when this and that person will walk with me... I will exult in that moment!’

“God – the Pope continued – thinks of each of us and loves each of us. He ‘dreams’ about us. He dreams of how He will rejoice with us. That’s why the Lord wants to ‘re-create’ us, He wants to renew our hearts so that joy can triumph:

“Have you thought about it? The Lord dreams of me! He thinks of me! I am in the Lord’s mind and in His heart! The Lord can change my life! And he has many projects: ‘we will build houses and plant vineyards, we will share our meals’... these are the dreams of someone who is in love.... Thus we can see that the Lord is in love with his people. And when he says to his people: ‘I haven’t chosen you because you are the strongest, the biggest, the most powerful. I have chosen you because you are the smallest of them all. You could add: the most miserable. This is whom I have chosen’. This is love”.

God “is in love with us” – Francis repeated,

We can only think about it, we can feel, we can cry with joy. The Lord can change us. ‘And what must I do?’ Believe. I must believe that the Lord can change me, that He has the power to do so: just like the man in the Gospel whose son was sick. ‘Sir, come down before my child dies’. ‘You may go (Jesus said to him). Your son will live!’ That man believed in the words of Jesus and had set off. He believed. He believed that Jesus had the power to change his child, the health of his child. And he won. To have faith is to make space for God’s love, to make space for his power, for God’s power. Not for the power of a powerful person, but for the power of one who loves me, who is in love with me and who wants to rejoice with me. This is faith. This is believing: making space for the Lord so that he can come and change me”.
