MOST PRECIOUS BLOOD

From the time of the Passion, when Christ poured out His blood for us all, the faithful have practiced devotion to the Most Precious Blood of Jesus. The Catholic Church dedicates the month of July to the Precious Blood of Jesus, which was "shed for the many, for the remission of sins" ([Matthew 26:28](#)). The Feast of the Precious Blood, established by Pope Pius IX in 1849, the Precious Blood has long been venerated for its role in our redemption.

The devotion has its scriptural roots in numerous references from the New Testament. In Romans 5:9, we read of justification by His blood. In Hebrews 10:19, we read of our sanctification and consecration by the Precious Blood. In 1 John 1:7 we are told that it cleanses us from all sin.

In more recent times, this devotion has more widely taken root in our Catholic tradition. Devotion to the Precious Blood spread greatly through the prayer, preaching, and work of Bl. Gaspar del Bufalo, a 19th century Roman priest, and founder of the Missionaries of the Precious Blood.

Bl. Gaspar brought this beloved devotion out of the sanctuary and into the hearts of Catholics around the world. It is through his life's work that the devotion grew widespread in the Church.

The Precious Blood courses through the Church, giving life to the Body of Christ. It was the cleansing agent that allowed the holy saints and martyrs to wash their robes clean. It is the price of our redemption, the object of our salvation, and the assurance of our eternal inheritance.

As we honor the Precious Blood of Jesus in union with the Church this month, may it awaken in our hearts a love and gratitude for Christ's gift to us, for He has saved us by His blood.
