

FUNERAL MUSIC

The Church's funeral rites offer thanksgiving to God for the gift of life that has been returned to him. Sacred music can console and uplift mourners while, at the same time, unite the assembly in faith and love. Music should be chosen with care. It should console the participants and help to create in them a spirit of hope in Christ's victory over death and in the Christian's share in that victory. [Order of Christian Funerals and Sing to the Lord.]
